“ *I miss you so much. I saw your face in my dreams not too long ago.
I could always count on talking to you about anything and
everything, but especially the Lord. I only wish I could have helped
you in your last days...I love you, still, dear sister and friend.*

“ You were an amazing sister Charlene. You always had a way of sensing when something was wrong. Made me feel better all the time. I miss your smile and your laughter, I miss your calls starting with "Hey Dudette". Who's going to share new recipes with me now. I know that I will see you again, meanwhile I will continue to talk to you. Love you
