“ Not a day go day. I don't think about you. I miss getting on your last nerves. You are my village yo. Flat out. You taught me how to be a better daughter, sister, niece and servant of God. I was all over the place. You never judge me. You made me aware of being better. I am going sitting here.... You was there for me in my dark times Auntie. I promise you these though. I am going keep the marathon going thru for my family and daughter. And be better. I don't want to hear your mouth in heaven so I better tighten up now. I can't wait to tell about you all about it later. Until then I am not going drop ball and be what god called me to be. To be servant and heal ppl but most importantly love myself. I love You Auntie. 🌹🙏😭💯

“ We were blessed to have Helen among us as a family member. She was always supportive in so many ways. Helen and Tony were a team who supported and loved their family unconditionally. She will be missed, but her memory and love will care on when you are down and think "What would Helen say let's say a prayer !"

Love and cherishing your memory!

“ *WOW, all of our hearts ache...we are definitely praying for everyone in the Family. Truly we all feel the pain of losing our beloved cousin Helen. She wasn't just a cousin, she was a Friend, Wife, Mother, Grandmother, Encourager, Helper, full of wisdom and so much more. Helen was someone you could talk to for hours, always planting seeds of wisdom. If you were sad or had any issues it all went out the window after talking to Helen, because she would encourage you in the word of God, pray with you, tell you to wipe those tears and trust God, then she would give you the best hug ever!!!! Then she would follow that up with, if you need anything just call me. WOW, we are truly going to miss our beloved cousin Helen White!!!!*
