“ *Uncle Jimmy you will be truly missed. You were always the first to wish the family happy holidays whether it be Christmas, New Year's, a birthday, and I miss that. I miss your smile. The girl sent you off in high fashion like the King you were. May you rest in Heavenly peace. I love you and you will never be forgotten.*

“ *Jimmie was my everything. My ride along, my friend and much more. Our memories are time honored treasures that I hold dear to my heart. In all the years of knowing him he never fussed and I am sure I gave him plenty to fuss about. My heart is heavy but I am a better person for sharing my life with him. Jessie*
