“ Ms. Dozier was a wonderful woman with such soft-spoken sweetness. As a little girl, I loved her welcoming smile and kind words whenever I would enter her home with Paula. She was one of a kind, for sure. May she rest in peace. Condolences to all who loved her!

My fondest and lasting memory of Cousin Lucille was sitting at the table with her and other family members during family time at a dearly departed cousin' repass just listening to her speak. There was such a warmth about her she drawn you in with her smile, she spoke with her smile, her laugh was with her smile ❤️ holding on to that moment in time forever. Rest in Heaven Dear.

“ Mother Dozier my heart was broken in half when I heard the news. I woke up Thanksgiving morning looking forward to your phone call asking me what I was cooking and to make sure I sent you your plate and don't forget your cake plate. Always telling me how much you love me and that I will always be your daughter in law. You have been a part of my life for so long and I'm blessed to have been a part of yours for so long. I love you mother Dozier and I thank God for blessing me with you. Love Rhonda Dozier
